Showcasing our PBL School!

Last Friday all students from Lockhart Central School plus secondary students from Urana Central School participated in our school PBL Day. PBL is an acronym for Positive Behaviour for Learning and focuses on encouraging positive behaviours through positive language, modelling and teaching.

The day was a great success with students mixing with different age groups and being instructed in the new PBL signage around the school. A free BBQ was enjoyed by all and successfully run by Miss Grant, SRC students and volunteers.

The day ended with the creative activities of drama, poster making, chalk drawing, photography and a game of basketball. These activities gave students the opportunity to represent, communicate and show their understanding of what they had learnt from the PBL activities participated in earlier in the day.

The day was a great success and the students are to be commended for their participation and positive behaviour and attitude. Thankyou to all staff for their support and especially Ms Dunne for the hard work she put into organising this event to ensure it was a success!

Student Leaders

At our PBL day on Friday, three would-be student leaders emerged to give their speeches for the position of LCS School Captains.

Aaron Finnen, Sarah Pither and Mikala Shilo all gave fantastic speeches highlighting their experience in leadership and their enthusiasm for the school.

The student body then voted.....

Unfortunately, you will have to wait for the next newsletter to hear the results of the ballot as our new LCS School Captains will not be announced until this Friday at the Formal Farewell Assembly for Year 12.

Mrs James

Student Participation in Community Event

This weekend, the annual, Lockhart Show will take place. This year, a lot of students have entered school work and artwork into the show.

Secondary students will also be supporting the school in fundraising activities with Mrs Driscoll. Everybody is so excited!

Erica Alchin, Year 8

School Photo Day

On the 12th of September, K-12 had school photos taken. Photos were taken individually and of class groups.

Many students were also photographed for sporting representation, band and SRC. Family photos were also available to be snapped. Even the teachers got their photo taken together!

Megan Trethowan Year 5 & Alirah Lubbe Year 3

Good Luck Year 12!

This week ends thirteen years of school attendance for our Year 12 cohort!

Wade Delphin, Charlotte Fletcher, Teagan Hannon, Chloe Sheather and Matthew Tullberg will attend their Formal Farewell Assembly this Friday at 10am.

However, Year 12 is not over for them yet! They will spend the next two months studying and sitting their HSC exams.

All of Year 12 will be sadly missed in the school next term. Everyone at LCS wishes you all the best in your study, your exams and in your future goals!

Mrs James

Learning in Primary

Primary are coming to the end of the Premiers Sporting Challenge. What a shame! Thank you to Mr Gooden for organising the majority of these activities.

In W2/3 we have been learning about and making paper cranes in Art. In science our focus has been space and we are all working on different space projects. We have also read a book called Sodoko. It is a true story all about a girl named Sodoko.

Janita Nickel, Year 3

James Gooden

This is Mr Gooden's last week of his internship, he has been working with P1 students all Term.

Congratulations to James for completing his internship with us, we wish him all the best in his career as a teacher. Thank you for being part of our learning community.

Miss Preston

Meet a student....

Name: Kirra Bennet

House: Red

Year: 6

Hobbies/Interests: Cooking, annoying my brothers, working at my uncle's house and moving cars.

By Eliza Chambers, Year 4

**Congratulations to our Principal PBL
(Positive Behaviour for Learning)**

Award recipients!
