In The Primary Classroom... W2

Mrs Webb's class is buzzing with knowledge as students continue to dive into Australian History! Recently, students explored what Australia might have been like in the ice-age! How did Australia get inhabited? Raft? Walking? W3 students will have their opinions and answers ready!

In Literacy, students have enjoyed learning a few new tongue twisters while working on their pronunciation. A recent favourite has to do with what picky people pick!

W3 Mathematics is currently focusing on expanding our multiplication and division knowledge. Investigating fractions and different measurements of length are coming up. What do $\frac{1}{2}$, $\frac{2}{4}$, $\frac{3}{6}$, and $\frac{4}{8}$ all have in common? Ask a W3 student!

Mrs Driscoll

A great opportunity to enjoy a book.

On Tuesday 19th August students from K-3 road tested our new school bus and went on an excursion to Wagga for Book Week. First we visited the Library and had a special guided tour. We then had Michael read us some fantastic stories and students got to do a craft activity. We then had a guided tour of the Art Gallery and saw some amazing bird cages and other art by people with disabilities. We also visited the Museum and had recess and lunch in the Memorial Gardens.

Students explore their theatrical side!

Many LCS students have been eagerly attending rehearsals in their lunchtimes and learning their lines at home for our School Play – 'Peggy the Pirate'!

Miss Sinden has been teaching the Primary classes the songs from the play and the students in Year 11 & 12 Visual Design have also been busy designing and making props and costumes with Ms Dunne.
