

## Student's Major Work on display

# Central News

## Lockhart Central School

### NAPLAN results showing outstanding growth in Literacy

We are thrilled with the student growth indicated in last week's NAPLAN results! All areas of literacy assessment recorded a majority of students exceeding the expected growth, with 100% of year 9 students exceeding expected growth in Grammar and Punctuation. Well Done!!

Improving literacy learning outcomes for our students has been a major focus of staff professional learning over the past two years with a large investment of money and time being committed across the school K-12 and these results provide us with validation of our efforts.

All students are to be congratulated on their efforts and we can't wait to see even greater improvements in 2017.

### Acknowledgment of continued student success at our recent Assembly

### LCS Book Club

The Lockhart Central School Book Club was launched last week with all staff and all secondary students receiving a copy of Anh Do's book "The Happiest Refugee". We are reading this book together and it is wonderful to hear already discussions among staff and students reflecting their experience with this book. It is hoped that this gift will encourage a joy of reading that will continue to grow.

### Upcoming Events
