Ensuring Student Wellbeing and Engagement

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, ipads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 21 August and 13 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

To access the survey for our school go to:
<https://nsw.tellthemfromme.com/lcs2018>

Our school will provide our parents and caregivers an opportunity to complete this survey at our Parent Teacher interviews on Wednesday 30th August or you may access the survey in your own time. More information about the survey is available at:

<http://surveys.cese.nsw.gov.au/>

Providing links between School and Work Work Experience

Years 9 & 10 students have begun to identify workplaces within the local area that they would like to approach for work experience. Work experience week will take place from Monday 11th September to Friday 15th September.

It is a compulsory experience for Year 10 students and optional for Year 9 students. Please keep talking to your son/daughter about options. See Mr Donaldson for appropriate paperwork.

External TAFE courses 2018

Years 9, 10 and 11 students have been given a list of courses available for next year. Selections will take place over the next few weeks. TAFE has been a very popular choice for those students who enjoy hands on learning and these courses can also lead to potential employment. See Mr Donaldson for further information.

Mr Donaldson

Connections with the Community Youth Committee

In previous newsletters the formation of the Lockhart/Greater Hume Shire committee has been mentioned. During the afternoon of Monday the 14th of August, 8 of our students attended a meeting at the local council chambers. In this meeting it was decided the group will be working on multiple community events coming up- including a REROC Take Charge event, Senior's Week Morning Tea and a shire-wide Colour Run.

We are so proud of our students for the leadership they have shown, and continue to receive positive feedback about their involvement and initiative.

Tara Buckley

Upcoming events**August****Week 6**
