

Secondary Excursion – South Coast

Monday, Week 9 marked the beginning of the Secondary South Coast excursion. The students enjoyed a week-long excursion that went through the Kangaroo Valley, Nowra and Greenwell Point. Activities during the week included kayaking, tree top adventures, surfing, snorkelling and finally, an action packed day at Jamberoo. All students found the activities both challenging and rewarding, as each student pushed themselves outside of comfort zones. Thank you to all students for their involvement on the excursion and the teachers for their assistance. Lastly, thank you to the parents who communicated continually with teachers and allowed your children the opportunity to attend. It was great!
