School Canteen

Parents and Carers,

The school canteen will have a trial period in the hope we can get something more permanent scheduled for students to purchase healthy lunches at LCS.

Dee Wolter will be running a canteen on Tuesday 20th August.

Below is the list of initial items that will be offered at this stage. We are hoping that this will be extended and the canteen will run certain days of the week. There is also a space below to make healthy food suggestions that your child would purchase at the canteen for consideration. The school is bound by a very strict Health Canteen Food List so your suggestion may not be included.

Here is the list of options for the first day, Tuesday 20th August. We have attached this to a brown paper bag and provided the first one for your convenience. After this if the canteen continues you will need to supply your own brown paper bags.

Any further changes to this list and canteen days will be put in the school newsletter and on the Facebook page until a permanent Healthy Food List is decided upon.
